“

Glad to know the Launch of JBN Center for excellence. I appreciate your efforts. JITO has given various leaders in last 10 years which has transformed the image of Jains throughout the world.

There is a need to empower Jain Youths with Business Knowledge. This business Education will create future leaders at a very reasonable cost and the 1st programme roll-out with IIM - Ahmedabad is very appropriate as IIM-A has contributed top class Entrepreneurs.

We are entering 3rd Industrial Revolution with advent of disruption, therefore we need to learn latest trends in Business & Economics; and that is possible by short courses designed by JBN.
